

LEARN ABOUT FEMALE ASPERGER SYNDROME

Six-Word Lessons on Female Asperger Syndrome

by Tracey Cohen

This book is written by Tracey Cohen, who was diagnosed with Asperger Syndrome at age 39. Her book gives you honest, pointed lessons about the condition. She illustrates little-known behavioral differences between male and female Asperger syndrome, early signs for detection, coping strategies, diagnosis and more.

The book is helpful for individuals, families and professionals alike, and readers will come away inspired and reassured having gained practical

knowledge to understand and enable successful aspie living in our complex neurotypical dominated world.

Chapters Include:

Detecting Early Signs of Asperger Syndrome; Why are Females Missed in Diagnosis?; Seeking Diagnosis as an Adult Woman; Inside the Soul of an Aspie; Social Skills, a Complex Learning Process; Navigating the Social World Aspie-Style; Sensory Integration Difficulties: Over and Under; Strategies for Coping with Sensory Challenges; Change is Hard but Worth Embracing; and Tips Based on my Personal Experience.

\$12.95 for paperback on Amazon and Barnes & Noble online

\$8.99 for e-book on kindle, iTunes, Nook and others.

"I highly value Tracey's descriptions as a succinct and eloquent explanation of Asperger's syndrome."

—Dr. Tony Attwood

"I believe this book is an essential part of providing a better understanding of females on the autism spectrum and is one everyone should read." —*Dr. Karen McKibbin, Portland Autism Center*

Tracey Cohen

Tracey, a lifelong competitive runner, freelance writer, and Returned Peace Corps Volunteer, was diagnosed with Asperger syndrome at the age of thirty-nine. Sharing her own struggles and discoveries, she aims to empower others to learn, accept and find peace, while avoiding some of the pitfalls and hardships she has experienced.

Tracey lives in Farmington Hills, Michigan with her treasured Labrador Retriever, Bailey Kennedy.
