

Evaluation & Diagnostic Services

Full Circle provides Evaluation and Diagnostic services in conjunction with other regional service providers, including Quality Life Concepts, STEP and South Valley Child & Family Center. We conduct extensive assessments, including:

- ADOS autism assessments
- Behavioral assessments
- Developmental assessments

Our Assessment Team includes:

- A licensed Clinical Professional Counselor with more than 25 years of experience diagnosing and working with special needs children
- Occupational Therapists
- Speech Therapists
- Pediatricians, as needed

*Following your child's lead...
turning challenges
into opportunities*

Customized plans for each *individual* child's needs:

- Staff creates family- and child-centered autism intervention plans that are data driven and in line with best practices
- Has two Board Certified Behavior Analysts on staff (BCBA)
- Full Circle uses the "gold standard" Autism Diagnostic Observation Schedule (ADOS) of assessing and diagnosing autism spectrum disorders

No two plans are alike

We employ many behavioral therapeutic techniques including, but not limited to:

- Applied Behavior Analysis
- Cognitive Behavioral Therapy
- Reward-based Therapy
- Discrete Trial Training

How to Access Services:

Contact our office at 532-1615 and ask to speak with our intake coordinator. We will briefly discuss your concerns and arrange an intake appointment. At the intake appointment, we will gather relevant information related to your concerns and goals and begin the process of matching you with a clinician best suited to your needs. Please bring your insurance card with you to this appointment.

Full Circle accepts a variety of payment sources, including:

- HMK Plus (Medicaid)
- HMK (CHIP)
- Private Insurance
- Self-Pay

We will work with you to help make your care appropriate and affordable to your budget.

Assessments are available in Missoula, Ravalli, Cascade and Yellowstone Counties.
